Fourth-Year Drama Production
2023–24 Season

Juilliard

A Message From Evan Yionoulis

Welcome to the Juilliard Drama Division's production of *The Caucasian Chalk Circle*. We are thrilled to bring the fourth-year season to a close with Brecht's epic tale, written at the end of World War II. Directed by the Drama Division's head of physical acting, Orlando Pabotoy, and including an exciting collaboration with the Music Division, this production explores the play's incisive social critique through an imaginative physical interpretation at once comic and wrenching.

In their final year at Juilliard, fourth-year actors call on all aspects of their training, bringing passion and conviction to a compelling and diverse roster of plays in collaboration with professional directors and designers and our expert production department. On behalf of the Juilliard community, we are grateful to our audiences for sharing this journey with our graduating actors as they prepare to enter the profession.

We hope you will return to the Stephanie P. McClelland Drama Theater later in the spring to see the third-year actors (Group 54) in *Socrates* by Tim Blake Nelson and directed by Jimonn Cole, alumni of the Drama Division, and *Abingdon Square* by María Irene Fornés, directed by Jenny Lord.

Warmly,

Evan
