

Juilliard | Summer

# Welcome to Juilliard Summer!

---

We are excited for you to join us as we celebrate the inaugural Juilliard Summer. This year, our summer music programs take a new form that includes long-standing programs and collaborations, including Juilliard Summer Percussion and Sphinx Performance Academy, along with new music programs in composition, piano, and voice. Juilliard Summer is committed to shaping the future of the performing arts by sharing our values of excellence, inclusivity, and imagination with our learning community and our audience.

Juilliard Summer students come from around the globe to work with Juilliard faculty and leading guest artists, making music together at our Lincoln Center campus. Students are immersed in a learning environment where they can develop their artistry, receive guidance on building a career, and think creatively about their role in the community. For some participants, this is their first time performing or presenting their work on a professional stage. Our students will leave these programs having had a taste of a Juilliard education as well as friendships that will last a lifetime.

We are excited to see what's ahead for our students and know that they will have an unforgettable experience at Juilliard Summer. Thank you for joining us and for supporting these incredible young artists!
