

Juilliard

First-Year Experience Coach (FYE Coach) Job Description

General Description

First-Year Experience (FYE) Coaches work with incoming first-year, first-time students over the summer and throughout the fall semester to assist in their successful transition to life at Juilliard. FYE Coaches will facilitate virtual community-building activities, and provide opportunities for new students to meet and interact with new peers prior to Orientation. During the fall semester, FYE Coaches assist with the implementation of Discover Juilliard: First-Year Experience, a required 1-credit course for all first-time college students. The course is designed to introduce students to the Juilliard community and fundamental resources designed to support their personal growth and artistry. FYE Coaches work with an assigned faculty mentor to facilitate group activities and discussions. They develop meaningful relationships, gain practical mentorship experience, and develop a holistic understanding of their own mentorship style.
