New Student Orientation 2018

## Parent Orientation Newsletter #2

July 11, 2018

Dear family member of a new Juilliard student,

Happy July! By now you and your student should have received the first Orientation To Do List and Parent Newsletter in June. Hopefully, your student has:

- logged into their Juilliard email account and changed their password;
- logged into WebAdvisor and updated their contact information as well as your information;
- reviewed the information on the New Student Orientation page;
- submitted their immigration documents, if applicable;
- and has sent in their final transcripts (they were due July 1).

We have sent your students a new To Do List for July. We ask that you help keep your student on task with their requirements and deadlines.

### **Juilliard Online New Student Orientation (JONSO)**

Your student will receive an invitation from our online platform, Canvas, to take the online Orientation course. The course contains information about residence hall move-in, their academic department, and placement assessments. Students must complete JONSO by Friday, August 24 at 12:00 pm EDT in order to register for classes.

### **On- and Off-Campus Housing**

- All students who applied for housing were sent their housing assignments and their roommate's contact information. We encourage students to contact their new roommates so they can start getting to know each other and plan out their living spaces. Students who still wish to apply for housing may email the Office of Residence Life at [reslife@juilliard.edu](mailto:reslife@juilliard.edu). Please note that single rooms are not available, however, students may request to be on a single room wait list.
- Students who are still looking for an apartment can join our [Off Campus Housing Forum](#) on Facebook. This is a closed Facebook group for new students, returning students, and alumni to share information about apartments or to look for a roommate. Please note that parents are not

permitted to join the Facebook group due to the School's privacy guidelines. Students can also utilize the resources on our [Off Campus Housing Resources](#) web page.

- All Juilliard students can participate in the [College Savings Pass Program](#) by Bed, Bath, and Beyond, our local home goods store. Students can get a 20% discount every time they shop when they sign up with their Juilliard email.

## Accommodations

The Juilliard School will make reasonable accommodations for students, guests, and community members with qualified disabilities. If a student needs to request a disability-related accommodation, students should notify the [Office of Academic Support and Disability Services](#) as soon as possible (but ideally no later than 2-3 weeks prior to arrival on campus) to ensure timely accommodation.

## Upcoming Deadlines

1. Students must submit the [Health Record Form](#) to Health Services by **August 1**. Please note that instructions for submitting the form are on the second page of the form.
2. Fall Tuition and Room and Board Fees are due by **August 13**. Billing statements are available through [WebAdvisor](#). Questions regarding tuition and housing fees may be directed to the Office of Student Accounts at [studentaccounts@juilliard.edu](mailto:studentaccounts@juilliard.edu) or (212) 799-5000 extension 231.
3. International students must upload signed copies of the Juilliard I-20 and F-1 to the checklist on their application status page by **August 13 at 12 pm**. Additionally, they must complete the arrival form on their [application status](#) page.
