

## Notice of Special Enrollment Rights for Health Plan Coverage

As you know, if you have declined enrollment in The Juilliard School's health plan for you or your dependents (including your spouse) because of other health insurance coverage, you or your dependents may be able to enroll in some coverages under this plan without waiting for the next open enrollment period, provided that you request enrollment within 30 days after your other coverage ends. In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your eligible dependents, provided that you request enrollment within 30 days after the marriage, birth, adoption or placement for adoption.

The Juilliard School will also allow a special enrollment opportunity if you or your eligible dependents either:

- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- Become eligible for a state's premium assistance program under Medicaid or CHIP.

For these enrollment opportunities, you will have *60 days* – instead of 30 – from the date of the Medicaid/CHIP eligibility change to request enrollment in the The Juilliard School's group health plan. Note that this new 60-day extension doesn't apply to enrollment opportunities other than due to the Medicaid/CHIP eligibility change.

Note: If your dependent becomes eligible for a special enrollment right, you may add the dependent to your current coverage or change to another health plan.

## HIPAA Privacy Notice reminder

The privacy rules under the Health Insurance Portability and Accountability Act (HIPAA) require the The Juilliard School's Health & Welfare Benefits Plan (the "Plan") to periodically send a reminder to participants about the availability of the Plan's Privacy Notice and how to obtain that notice. The Privacy Notice explains participants' rights and the Plan's legal duties with respect to protected health information (PHI) and how the Plan may use and disclose PHI.

To obtain a copy of the Privacy Notice contact Human Resources.

You may also contact the Plan's Privacy Official at (212) 799-5000 x 356 for more information on the Plan's privacy policies or your rights under HIPAA.

## **Women's Health and Cancer Rights Act Notice**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator, Aetna.

## **Newborns' and Mothers' Health Protection Act Notice**

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits, call your plan administrator, Aetna.

## CHIP/MEDICAID NOTICE

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-EBSA (3272)**.
