

To use your Juilliard Student Insurance over the winter break, spring break, or summer:

- If you are in New York City, your first stop for medical care is Juilliard Health Services 212-799-5000 ext. 282. If you need to see a specialist, you will need a referral from Health Services in order to receive in-network rates for insurance coverage (this saves you money). In case of a medical emergency or our office is closed you do not need a referral. Please refer to the insurance brochure at <http://www.christiestudenthealth.com/juilliard/> to find out what types of medical care are covered and at what percentage they are covered. You can also call Christie Student Health with any coverage questions at 866-639-3629.
- If you are outside of New York City, please refer to the insurance brochure at <http://www.christiestudenthealth.com/juilliard/> to find out what types of medical care are covered and at what percentage they are covered. Always try to find a medical provider that participates in the Cigna network; that is your least expensive option, links for finding a doctor are available at <http://www.christiestudenthealth.com/juilliard/>. You can also call Christie Student Health with any coverage questions at 866-639-3629.
